

“Walkerville Cats crowned  
Club of the Year.”

SANFL Juniors 2023

# The Club

[click here to read article](#)

Walkerville Junior Football Club (WJFC), established in 1961, is a successful, welcoming, and well-run club located on Smith Street, Walkerville, Adelaide, South Australia. It has been affiliated with SANFL Juniors since the 2017 season.

Our WJFC teams have won numerous Grand Finals in the U11 to U15 age groups. We are very proud of our success and love to see our teams win. However, our first priority, based on the club's philosophy, is to create an environment where all players can play at their best, enjoy their football, and experience good coaching and mentoring.

The club is open to all players, aged seven to fifteen (U8 – U17.5). We welcome new recruits, and their families at every age group.

The club is run by a strong and harmonious committee who oversee all aspects of governance, including football operations. The committee set clear and fair policies, and ensure they are followed consistently by all members of our club.

The Club's success is the result of the dedicated work of many people over many years, and we encourage you to get involved, as a sponsor, and enjoy everything this great club has to offer.

## Why become a sponsor at the WJFC?

The WJFC made its transition to SANFL Juniors in 2017, and now has over 400 families involved. WJFC remain one of the biggest and most professionally run junior clubs in South Australia. We are well-regarded for team success and the development of players.

Our ongoing successful operation as a club is achieved with the dedicated support of our sponsors. It is largely through this support that we are able to minimise registration fees, relative to other clubs and other codes of sport. We are strongly committed to the community we operate within and we are proud to promote those who support us.
